How the Rally Works:

You can earn a trip to Nashville by building and strengthening your business through duplication in your team. This is a rally based on volume produced by all **NEW 4-Level Personally Enrolled Team** members (4PET) who enrol during the contest period.

1. CREATE YOUR TEAM

Teams can have two Directors or above per team. Each team can have a maximum of five team members. All five members of a winning team may qualify for a spot if they meet the minimum individual 4PET 7,000 BV qualification.

2. EARN TEAM POINTS

Help new Customers and Associates join Isagenix and grow your 4PET.

3. QUALIFY FOR YOUR SPOT

The top ten teams whose combined 4PET generates the most volume during the contest period will win the prize! To claim your place on the trip, you must reach the minimum 4PET 7,000 BV as a member of a winning team. The top ten teams will qualify **PLUS**, the top team from the Netherlands and the top team from Ireland will be guaranteed a place on the trip.

Building Your 4PET

To participate in the Rally, you will need to build your business by enrolling new 4PET members. Here's how it works: you enrol a new Associate (1PET), who enrolls a new Associate (2PET), who enrolls a new Associate (3PET), who enrolls a new Associate (4PET). Any of your personally enrolled team members who were enrolled prior to the start of the Rally are off limits – these must be completely new enrollees. (See FAQs for additional details).

Additional Rally Rules

- The top ten teams in the UK, Ireland & Netherlands will win the trip.
- In order to qualify for a winning spot, you and your new 4PET must produce a combined minimum of 7,000 BV. Even though you may be ranked in the top ten teams, you will not be eligible to win unless you reach this minimum threshold.
- Members must enrol a minimum of 6 new people during the contest period.
- No single member of your new 4PET may contribute more than 75% of your total 4PET volume during the contest period.

Frequently Asked Questions

How do I register?

Registration is from 5-25 March 2018. Registration will not be available after this time. To create a Team and become a Team Leader, you must be an Active Consultant or above. Log in to your Back Office, go to the 'Contests & Promotions' tab and click 'Register Team' to enter all Team details.

Who can I have on my Team?

You can have a mix of Associates, Consultants, Managers, Directors, and Executives on your team totalling a maximum of five members. At the time of registration only two team members may be a Director or Executive. Team members do not have to be members of your organization. Points are cumulative, and it is best to fill all five spots on your team to accumulate maximum points. All five team members may qualify if they achieve their individual 7,000 BV in their 4 PET.

Does each Team need a Team Leader?

Yes, the Team Leader is responsible for team creation, conference call updates, creating weekly goals, and also facilitating team communication. The Team Leader also serves as the main point of contact for all IsaRally updates from the Isagenix Corporate Team.

Can the Teams be changed?

You cannot add or replace any team members after the registration period has closed. A team member may opt to permanently withdraw from a team by contacting Customer Care, however they cannot be replaced. Team Leaders have the ability to make team changes in their Back Office.

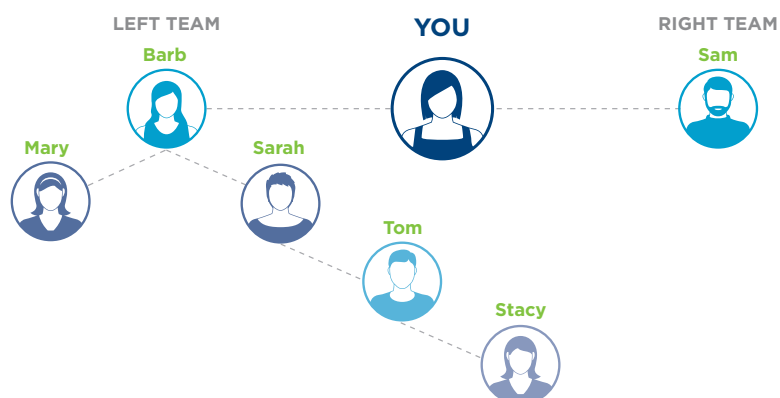

What is a 4PET?

4PET stands for 4-level personally enrolled team.

4PET Example

You enrol Barb and Sam. Barb enrolls Mary and Sarah. Sarah enrolls Tom. Tom enrolls Stacy.

LEVEL	First	Second	Third	Fourth
TEAM MEMBER	Barb, Sam	Mary, Sarah	Tom	Stacy

Success in this challenge is all about the power of duplication! Link arms with 5 team members to generate the most volume in the contest period.

Do new enrolments made by my current 4PET in the contest period count toward my qualification?

No, each member starts with a brand new 4PET at the time of the contest.

Example of Building Your New 4PET

Building on the previous example, Barb, Sam, Sarah, Tom, and Stacy were previously enrolled before the contest began, so they do not count towards your qualification. Although, Bob was enrolled by Mary after the contest began, he still would not count towards your qualification because Mary was previously enrolled. To create qualifying volume in the contest, you enrol James as a personally-enrolled team member. James enrolls Ann. Ann enrolls TJ. TJ enrolls Katie. All of the volume generated by these members during the contest will count towards your qualifying volume.

LEVEL	First	Second	Third	Fourth
TEAM MEMBER	James	Ann	TJ	Katie

When can I get started building my 4PET and accruing BV?

BV for your new 4PET accrues from 5 March – 27 May 2018. BV accrues cumulatively during the contest period. New Associates you enrol must be quality enrolments; each new Associate must:

- Be 18 years or older.
- Be a citizen or tax-paying resident of their home market.
- Have paid their own membership fee on the Isagenix website.
- Have met all other enrolment criteria in the Policies and Procedures.

How can I keep track of my 4PET BV?

BV generated by your 4PET will be conveniently displayed in your IsaRally individual report in your Back Office. You can view the report by visiting the 'Reports' section under 'Business'.

How do product returns affect my BV total?

Any product returns will be deducted from your overall BV total after a return order is received by our returns warehouse and processed at the Isagenix Corporate Office.

What if one of my 4PET members is in an international market?

As long as you have your International Sponsorship, all BV in 4PET will be counted regardless of the enrolling country. For more information about International Sponsorships, please visit IsagenixBusiness.com.

What if my account is under compliance review?

Compliance matters will affect your eligibility to participate in IsaRally and may lead to immediate disqualification from the contest. If your account is under compliance review at any time during the contest and you are found to be acting in a non-compliant manner, or in a manner which Isagenix believes does not fit in the spirit of the contest, you may be disqualified from the contest.

One prize per winning account will be awarded, which includes airfare, accommodation, hotel transfers and other activities. (See 'PRIZE' section in this flyer.) We recommend making sure your schedule is clear for 2-8 August 2018. The prize is non-transferable and no cash equivalents will be given if the winner(s) cannot attend. If you cannot attend, Isagenix Corporate may allow your recognition partner to claim your prize, if that partner has been validly listed on the recognition name of the account for the entire contest period.
